

Second International Conference MOOCs, Language Learning and Mobility

Naples (Italy) 13 - 14 October 2017

Call for paper

The University of Naples L'Orientale together with Federazione Nazionale Insegnanti Centro di iniziativa per l'Europa (FENICE), as one of the partners of the project "MOOCs for University Students on the Move in Europe" (MOVE-ME) funded by the Erasmus+ Programme of the European Union, invite you to attend the Second International conference on "MOOCs, Language Learning and Mobility". The conference will take place on **13 - 14 October 2017** in Naples in a central zone, near the Castel dell'Ovo and the sea.

The conference aims to bring together higher education professionals, linguists and language technologists from around the world to debate issues relating to three topical areas of research, such as MOOCs, language teaching/learning and student mobility, by providing a forum for exchange of ideas, research outcomes and technical achievements.

Conference attendance is FREE for presenters and non-presenting attendees but it is requested a registration. Download the registration form from www.movemeconference.eu and email the completed form to fenice.eu@gmail.com. Each accepted participant will receive a confirmation email.

The conference is also an excellent opportunity for international networking and for sharing results achieved in innovative projects and initiatives. We particularly encourage proposals on, but not limited to, the following areas related to the conference themes:

1. MOOCs - design, learning, teaching, quality assurance, etc.
2. CALL and its normalisation
3. Mobile-assisted language teaching and learning
4. E-learning solutions for language teaching and learning
5. Informal language learning and technologies
6. Virtual classrooms, eLearning, and ePortfolio
7. Monitoring and evaluating of language learning with technologies
8. Recognition and validation of language skills acquired through MOOCs
9. MOOCs to support multilingualism and international Mobility
10. Technologies and/or Multimedia for Languages for Specific Purposes (LSP)
11. Technologies and/or Multimedia for Content and Language Integrated Learning (CLIL).

The closing date for submission of proposals is **17 June 2017**.

Acceptance will be notified by 15 July 2017. Detailed information are on the conference website.
